

The Future is Looking Greener

The Future of Your Hardwood Floors is looking Greener when installed with Bostik's New and Improved **TKO™ WOOD FLOORING ADHESIVE**

BOSTIK'S TKO™ is a one-part, trowel applied, **moisture-cure** urethane wood flooring adhesive that offers:

- Zero Water
- Zero Solvent
- Zero VOC's as calculated per SCAQMD 1168
- Is Easy to Spread
- Holds a Better Ridge
- Cleans up Easier than other MCU's
- Contributes to L.E.E.D® Credits
- Contains Blockade™ Antimicrobial Protections

TKO Wood Flooring Adhesive-patent pending.
